Green Olympiad 2023

DEAR PARENTS,

Green Olympiad is conducted by TERI (The Energy and Resources Institute) every year for school students annually. This Olympiad assesses students' environment quotient and enhances their understanding of issues related to sustainable development. The Olympiad is open to students in classes 4-12. Students from classes 4 - 12 can participate in this Olympiad through four levels (Level 1 –Std. 4 & 5; Level 2 – Std. 6 - 8, Level 3 – Std. 9 & 10, Level 4 – Std. 11 & 12).

Aspirants will receive certificates for their performance in the Olympiad. The students get to know about the environment. Additional advantages, such as internship opportunities may also be given to some of the aspirants. The students will also get incentives in the form of discounts and preferences in projects conducted by TERI.

	IMPORTANT GUIDELINES
